| Smallpox | | 14 days; |

and (b) in respect of any other infectious disease, such period as may be declared by the Central Government by notification in the Official Gazette to be the period of incubation of that disease;

(12) a person is said to be under "surveillance" when, being suspected of infection from an infectious disease, he is not segregated but permitted to continue his journey in the ordinary course, and the authorities of the several places, whether he is board or gives prior information of his coming;

(13) "suspected aircraft" means an aircraft, which under rule 14, 15, 20, 22 or 23 is regarded as an aircraft suspected of infection from an infectious disease.

PART II.

General Provisions.

3. (1) The Commander of an aircraft, which is as it were to fly from India from any place outside India, shall send to the officer in charge of the aerodrome where he proposes to land in British India, a health report stating—

(a) whether any person on board the aircraft is suffering from any illness, if so, what that illness is, or is suspected to be, and

(b) whether at any time during the voyage there has occurred on board any case, or suspected case, of an infectious disease, and if so what that case was.

(2) The report referred to in sub-rule (1) shall be sent—

(a) if the aircraft is not equipped with wireless, by means of a telegram from the last place of landing before entering British India; and

(b) if the aircraft is equipped with wireless, by means of a wireless message, when it is not less than two hours out from the aerodrome in British India, where it is proposed to land the aircraft.

4. The Central Government may, by notification in the Official Gazette, direct that aircraft, if found, or suspected to be infected, with a specified infectious disease such as entering British India from a place outside India, land only at such aerodrome or aerodromes as may be specified in the notification.

5. (1) If an aircraft, infected, or suspected to be infected, with an infectious disease enters British India from a place outside India and lands elsewhere than at an aerodrome specified under rule 4, or, where no such aerodrome has been specified, lands elsewhere than at a certain aerodrome, it shall proceed as soon as possible, without discharging any passenger, crew or cargo, to an aerodrome specified under rule 4, or, as the case may be, to a certain aerodrome.

(2) It is the responsibility for the aircraft to comply with the provisions of sub-rule (1); the Commander shall forthwith notify the Health Officer of the nearest customs aerodrome, and also the nearest magistrate, either in charge of a police station or Government medical officer who shall take such measures to prevent the spread of infection as he may consider necessary or expedient. The Commander shall guarantee any cargo being conveyed from, or any passenger or member of the crew leaving the vicinity of the aircraft, except to such extent as may be necessary to conduct to, or facilitate the measures taken under this sub-rule. The Commander shall record the circumstances of the landing in the journey log, book and shall, as he arrived at an aerodrome specified under rule 4, or, as the case may be, a certain aerodrome, report the relevant facts to the Health Officer of that aerodrome.

6. The Commander of an aircraft landing from any place outside India shall enter or cause to be entered in the journey log book and, in the case of return visiting to passengers in the passenger list, information concerning the following matters, namely:—

(a) any incidents material to public health which have occurred on the aircraft in the course of its voyage;

(b) any sanitary measures undertaken by the aircraft before departure and at places of call;

(c) information concerning the occurrence of any infectious disease at, or in the vicinity of, the place of departure and any place of call of the aircraft;

(d) information as to the place of origin of, and any sanitary measures undertaken by, the passengers and crew.

7. Where an infected or suspected aircraft, landing from a place outside India, arrives at a certain aerodrome, the Health Officer may, until such time as the appropriate measures prescribed in the case of such aircraft have been taken, require that the passengers and crew of the aircraft shall not go beyond such limits within the aerodrome as may be specified by him.

8. The Health Officer of an aerodrome may, whenever he considers it desirable, inspect any aircraft and its passengers at a time on its arrival at the aerodrome, and may require the Commandant to produce the vaccination certificate, the passport, bag book and other relevant papers of the aircraft.

Special provisions relating to yellow fever.

9. An aircraft shall be regarded as infected with yellow fever—

- (a) if there is a case of yellow fever on board; or
- (b) if there has been on board a case of yellow fever, and subsequent to the occurrence of this case all the measures specified in clause (2) of rule 12 have not been taken having effect on India; or
- (c) if it has been found, or suspected to, have yellow fever infected, or suspected to, have yellow fever infected, has not obtained a certificate of disinfection from the Government-General of the Egyptian Government, Sudan, or from the Director, Medical Services, Anglo-Egyptian Sudan, or from a local authority or other of those authorities in that behalf, or from such other authority as may be approved from time to time by the Central Government for that purpose, stating that the aircraft, after having or suspecting to have yellow fever infected area and before arriving in India, has been disinfected in accordance with the procedure prescribed in the Schedule to these Rules; or
- (d) if there is on board any person who within nine days of arrival in India has been in a yellow fever infected area.

Provided that an aircraft shall not be regarded as infected under clause (c)—

- (i) if the person referred to has only acquired in a yellow fever infected area in a non-infected aerodrome and in the presence of a certificate from the Health Officer of that aerodrome stating that during his stay he never remained within the aerodrome, aerodrome, or, if he went outside it, he did so under such protected conditions as would make it impossible for him to be infected by mosquitoes; or
- (ii) if the said person has been protected against the disease by satisfactory vaccination within the preceding two years or by a previous attack of the disease.

Explanation.—In clause (c) of the proviso, "anti-aerodrome" means an aerodrome in a yellow fever infected area declared by the Central Government, by notification in the official Gazette, to be an anti-aerodrome. No such declaration will be made unless the aerodrome is enclosed and controlled in accordance with the provisions of Article 96 of the International Sanitary Convention for Aerial Navigation, 1920.

10. (1) When an aircraft, having started from, or during the course of the voyage alighted in, a yellow fever infected area, or on its way to British India, the report referred to in sub-rule (1) of rule 3 shall also state—

(a) the date of departure of the aircraft from the yellow fever infected area; and

(b) whether the aircraft has been disinfected since leaving the yellow fever infected area and, if so, the place at which, and the authority by which, the disinfection was performed.

(2) When an aircraft has on board any persons coming from a yellow fever infected area, the report referred to in sub-rule (1) of rule 3 shall also state the number of such persons, the date of time on positive departure from such area, and the date on which each of such persons has been inoculated against yellow fever.

11. No person shall bring into British India an aircraft infected with yellow fever.

12. Any aircraft which, being infected with yellow fever, attempts to enter British India may be refused entry.

13. (1) If any aircraft enters British India in contravention of rule 11 or rule 12, then, without prejudice to any other proceedings that may be taken against any person on board the aircraft and all persons and things thereon shall be subjected to the following measures:—

(a) if the aircraft is infected in the manner specified in clause (a) of rule 9,—

- (i) the aircraft and cargo shall be disinfected;

(ii) all persons suffering from yellow fever shall be disinfectant and isolated for such period as the Health Officer may consider necessary;

(iii) all persons on board shall be medically examined either before disembarkation or under such arrangements as may be made by the Health Officer of the aerodrome in India to a minimum the risk of spread of infection; and

(iv) any persons suspected to be suffering from yellow fever shall be disinfected and placed under observation for such period as the Health Officer may consider necessary.

(2) If the aircraft is infected in the manner specified in clause (b) or clause (c) of rule 9, the measures specified in sub-clause (i) and (ii) of clause (1) shall be taken, and in addition, all persons on board, other than those persons who have been protected against the disease by satisfactory vaccination within the preceding two years or by a previous attack of the disease, shall be disinfected and placed under observation for a period not exceeding nine days from the time of arrival at the aerodrome.

(3) If the aircraft is infected in the manner specified in clause (c) of rule 9, the measures specified in sub-clause (i), (ii) and (iv) of clause (1) shall be taken, and in addition, all persons on board who within nine days of arrival at the aerodrome have been in a yellow fever infected area, other than persons who have been protected against the disease by satisfactory vaccination within the preceding two years or by a previous attack of the disease, shall be disinfected and placed under observation for a period not exceeding nine days from the time at which they departed from such area.

(4) All isolation and observation prescribed by sub-rule (1) shall be carried out in such manner as to provide the event of mosquitoes in the passenger and maintain or disinfection.

Special provisions relating to plague.

14. (1) An aircraft shall be regarded as infected with plague—

- (a) if there is a case of a plague on board; or
- (b) if there has been a case of plague on board and subsequent to the occurrence of that case all the measures prescribed in rule 13 have not been taken; or
- (c) if plague-infected rats are found on board.

(2) An aircraft shall be regarded as suspected of plague infection—

- (a) if there is on board any person who within six days of arrival has been in contact with a case of plague or otherwise exposed to plague infection;
- (b) if there is on board any person who within six days of his arrival has been in a plague infected area; or
- (c) if the Health Officer has reason to suspect the presence on board of plague infected rats.

15. On the arrival of an aircraft infected with plague—

(1) the aircraft shall be inspected and all persons on board shall be medically examined by the Health Officer;

(2) all persons suffering from plague shall be disinfected and isolated for such period as the Health Officer may consider necessary;

(3) all persons suspected to be suffering from plague shall be disinfected and placed under observation for such period as the Health Officer may consider necessary;

(4) persons on board who have been in contact with a case of plague or who, in the opinion of the Health Officer, have otherwise been exposed to infection shall be placed under observation for a period not exceeding six days from the time of arrival of the aircraft;

(5) bedding which has been used, which, when wearing apparel and other articles which, in the opinion of the Health Officer, are infected shall be disinfected and, if necessary, destroyed;

(2) those parts of the aircraft which have been occupied by persons suffering from plague or which, in the opinion of the Health Officer, are infected, shall be disinfected and, if necessary, dismantled;

(3) if the Health Officer has reason to believe that there are rats on board the aircraft, he shall disinfest the aircraft;

(4) any merchandise which it is proposed to discharge and which, in the opinion of the Health Officer, may become a risk or nuisance, may be disinfected or, as the case may be, dismantled;

(5) any unloading shall be carried out under the control of the Health Officer, who shall take all measures which in his opinion are necessary to prevent the infection of the staff engaged on the work, and may, for that purpose, subject the staff to surveillance for a period not exceeding six days from the time they have ceased to work at the unloading of the aircraft.

14. On the arrival of an aircraft suspected of plague infection—

(1) the aircraft shall be inspected and all persons on board shall be medically examined by the Health Officer;

(2) persons who have been in contact with a case of plague, or who, in the opinion of the Health Officer, have been exposed to infection, shall, if not already under surveillance, be placed under surveillance for a period not exceeding six days from the time of such contact or such exposure to infection; and

(3) all or any of the measures specified in clauses (1) to (3) of rule 13 and not already taken, may be taken at the discretion of the Health Officer.

Special provisions relating to Cholera.

17. (1) An aircraft shall be regarded as infected with cholera—

(a) if there is a case of cholera on board, or

(b) if there has been a case of cholera on board and subsequent to the occurrence of that case all the measures prescribed in rule 13 have not been taken.

(2) An aircraft shall be regarded as suspected of cholera infection—

(a) if there is on board any person who within five days of arrival has been in contact with a case of cholera or otherwise exposed to cholera infection;

(b) if there is on board any person who within ten days of his arrival has been in a cholera infected area; or

(c) if there are on board any fresh fish from a cholera infected area.

18. On the arrival of an aircraft infected with cholera—

(1) the aircraft shall be inspected and all persons on board shall be medically examined by the Health Officer;

(2) all persons suffering from cholera shall be disinfected and isolated for such period as the Health Officer may consider necessary;

(3) all persons suspected to be suffering from cholera shall be disinfected and placed under observation for such period as the Health Officer may consider necessary;

(4) the members of the crew and the passengers shall be placed under surveillance for a period not exceeding five days reckoned from the time of arrival of the aircraft, provided that persons satisfying the Health Officer that they have been protected against cholera by vaccination effected not more than six weeks, and not less than six days, prior to the time of arrival, may be exempted from such surveillance;

(5) bedding which has been used, soiled linen, wearing apparel and other articles (including food-stuffs which in the opinion of the Health Officer, are infected) shall be disinfected, provided that if special circumstances the Health Officer may, for reasons to be recorded in writing, order the destruction of foodstuffs which in his opinion are infected;

(6) those parts of the aircraft which have been occupied by persons suffering from cholera or which, in the opinion of the Health Officer, are infected shall be disinfected;

(7) if, in the opinion of the Health Officer, the drinking water stored on board is infected, he shall cause it to be changed and either it has been disinfected and is to be replaced, after disinfection of the tanks and filters, by a supply of wholesome drinking water;

(8) the Health Officer may require bathing apparatus and the waste water of the aircraft to be disinfected before they are discharged from the aircraft;

(9) any unloading shall be carried out under the control of the Health Officer, who shall take all measures which, in his opinion, are necessary to prevent the infection of the staff engaged on the work, and may for that purpose subject the staff to surveillance for a period not exceeding five days from the time they have ceased to work at the unloading of the aircraft.

19. On the arrival of an aircraft suspected of cholera infection—

(1) the aircraft shall be inspected and all persons on board shall be medically examined by the Health Officer;

(2) persons who within five days of arrival have been exposed to infection, whether by virtue of having been in an infected area or having been in contact with a case of cholera, shall be subjected to surveillance for a period not exceeding six days from the time of the last exposure to infection.

Provided that persons satisfying the Health Officer that they have been protected against cholera by vaccination effected not more than six weeks and not less than six days prior to the date of arrival may be exempted from such surveillance; and

(3) all or any of the measures specified in clauses (1) to (3) of rule 18 and not already taken, may be taken at the discretion of the Health Officer.

Special provisions relating to Typhus.

20. (1) An aircraft shall be regarded as infected with typhus—

(a) if there is a case of typhus on board, or

(b) if there has been a case of typhus on board and subsequent to the occurrence of that case all the measures prescribed in rule 13 have not been taken.

(2) An aircraft shall be regarded as suspected of typhus infection—

(a) if there is on board any person who within twelve days of arrival has been in contact with a case of typhus or otherwise exposed to typhus infection; or

(b) if there is on board any person who within twelve days of his arrival has been in an area where typhus was epidemic at the time of his leaving that area.

Typhus fever.—Typhus shall be regarded as being epidemic in an area in respect of which a certificate to that effect has been issued by the Central Government in the official Gazette.

21. On the arrival of an aircraft infected with typhus—

(1) the aircraft shall be inspected and all persons on board shall be medically examined by the Health Officer;

(2) all persons suffering from typhus shall be disinfected, isolated for such period as the Health Officer may consider necessary, and detained;

(3) all persons suspected by the Health Officer to be suffering from typhus shall be disinfected, placed under observation for such period as the Health Officer may consider necessary, and detained;

(4) other persons suspected by the Health Officer to have been or to have been exposed to infection shall be detained and may be subjected to surveillance for a period not exceeding twelve days reckoned from the time of detaining;

(5) bedding which has been used, soiled linen, wearing apparel and other articles which in the opinion of the Health Officer are infected shall be disinfected;

(6) those parts of the aircraft which have been occupied by persons suffering from typhus or which, in the opinion of the Health Officer, are infected shall be disinfected.

22. On the arrival of an aircraft suspected of typhus infection—

(a) the measures specified in clauses (1) of rule 21 shall be taken; and

(b) those specified in clauses (2), (3) and (4) of rule (1), or a combination thereof, may be taken at the discretion of the Health Officer.

Special provisions relating to measles—

23. (1) An aircraft shall be regarded as infected with measles if—

(a) if there is a case of measles on board; or

(2) if there has been a case of measles on board and subsequent to the occurrence of that case all the measures provided in rule 24 have not been taken.

(3) An aircraft shall be regarded as suspected of measles infection—

(a) if there is on board any person who within fourteen days of arrival has been in contact with a case of measles or otherwise exposed to measles infection; or

(b) if there is on board any person who within fourteen days of arrival has been in an area where measles was epidemic at the time of his leaving that area.

Provisions.—Measles shall be regarded as being epidemic in an area in respect of which a notification to that effect has been issued by the Control Government in the official Gazette.

24. On the arrival of an aircraft infected with measles—

(1) the aircraft shall be inspected and all persons on board shall be medically examined by the Health Officer;

(2) all persons suffering from measles shall be disinfectant and isolated for such period as the Health Officer may consider necessary;

(3) all persons suspected to be suffering from measles shall be disinfectant and placed under observation for such period as the Health Officer may consider necessary;

(4) other persons suspected by the Health Officer to have been exposed to infection and who in his opinion are not sufficiently protected by vaccination should not go ashore for three days, and not less than twelve days prior to the time of arrival, or by a previous attack of measles;

(5) if they are willing to be vaccinated, or in the case of women of their guardians or those in charge of them consent to their vaccination, may be referred to vaccination tent at once, and also to hospitals for a period not exceeding fourteen days reckoned from the time of arrival of the aircraft; and

(6) if they are not willing to be vaccinated, and in the case of women, if their guardians or those in charge of them do not consent to their vaccination, shall be subjected to surveillance for the specified period;

(7) bedding which has been used, toilet items, wearing apparel and other articles which in the opinion of the Health Officer are infected shall be destroyed;

(8) those parts of the aircraft which have been occupied by persons suffering from measles or which in the opinion of the Health Officer are infected shall be disinfectant.

(9) On the arrival of an aircraft suspected of measles infection—

(1) the measures specified in clauses (1) and (2) of rule 24 shall be taken subject to the modification that any surveillance shall be for a period not exceeding fourteen days from the time of last exposure to infection; and

(2) the measures specified in clauses (3) and (4) of rule 24, and not already taken, may be taken at the discretion of the Health Officer.

Special provisions relating to other infectious diseases—

25. (1) An aircraft shall be regarded as infected with an infectious disease other than yellow fever, plague, cholera, typhus or measles—

(a) if there is on board a case of any such infectious disease; or

(b) if there has been a case of any such infectious disease on board and subsequent to the occurrence of that case all the measures provided in rule 27 have not been taken.

(2) An aircraft shall be regarded as suspected of infection from an infectious disease other than yellow fever, plague, cholera, typhus or measles if there is on board any person who within the incubation period in respect of such infectious disease has been in contact with a case of that disease or has been otherwise exposed to infection from that disease.

(3) On the arrival of an aircraft infected with an infectious disease other than yellow fever, plague, cholera, typhus or measles—

(1) the aircraft shall be inspected and all persons on board shall be medically examined by the Health Officer;

(2) any person suffering from an infectious disease may be disinfectant, and, if the Health Officer considers it desirable, may be isolated for such period as he may consider necessary;

(3) any person suspected to be suffering from an infectious disease may be disinfectant, and, if the Health Officer considers it desirable, placed under observation for such period as he may consider necessary;

(4) persons who have been exposed to infection may be placed under surveillance for a period not exceeding the incubation period of the infectious disease to which they have been exposed, such period being reckoned from the time of the last exposure to infection;

(5) those parts of the aircraft and any goods or personal effects on board which, in the opinion of the Health Officer, are infected, may be disinfectant.

26. On the arrival of an aircraft suspected of infection from an infectious disease other than yellow fever, plague, cholera, typhus or measles—

(1) the measures specified in sub-rule (1) of rule 27 shall be taken; and

(2) the measures specified in sub-rules (3) and (4) of rule 27 and not already taken, may be taken at the discretion of the Health Officer.

PART III.

ANNUARY DECLARATION.

General.

29. The provisions of this part shall apply to all aircraft leaving British India for any place outside India.

30. All persons leaving British India by air for a given outside India shall be medically examined by the Health Officer of the aerodrome.

31. The Health Officer shall provide the certification for the purpose—

(a) any person showing symptoms of any infectious disease; and

(b) any person when the Health Officer considers it proper to demand certification because of his close relation with a person showing symptoms of an infectious disease.

Provided that nothing in this rule shall apply where a person suffering from an infectious disease is to be transported in an aircraft specially allocated for the purpose.

32. The Health Officer may require any person whom he suspects of being infected with his opinion of transmitting any infectious disease, to be detained before embarking on an aircraft.

33. (1) The Health Officer may prohibit the taking on board an aircraft of any cargo or personal effects which in his opinion are infected with any infectious disease.

(2) The Health Officer may take such measures including disinfection, disinfectant, disinfection and disinfectant, as he considers necessary to ensure that the aircraft, and all cargo and personal effects thereon, are not infected with any infectious disease.

34. The Health Officer shall before the departure of any aircraft enter upon his signature in the journey log book particulars of the sanitary measures

Fort St. George, June 26, 1940
(G.O. No. 378, P.H.).

No. 423.

In exercise of the powers conferred by sub-section (2) of section 4 of the Madras Public Health Act, 1907 (Madras Act III of 1907), His Excellency the Governor of Madras is hereby pleased to make the following regulations regarding the appointments and conditions of service of Assistant District Health Officers employed by District Boards:—

REGULATIONS.

1. (1) These regulations may be called the Local District Assistant District Health Officers (Appointments and Conditions of Service) Regulations, 1940.
(2) They shall come into force with effect on and from the 1st day of April 1941.

2. In these regulations, unless there is anything repugnant to the subject or context, "Government" means the Government of Madras.

3. No person shall be eligible for appointment as Assistant District Health Officer unless a District Board or the Government has recommended him for appointment as Second-class Health Officer in the Madras Public Health Subordinate Service.

4. When an Assistant District Health Officer has to be appointed, the District Board concerned, or the Government, as the case may be, shall forward to such authority a list containing the names of those persons whom it considers suitable for appointment. The District Board shall appoint one of the persons from such list, as Assistant District Health Officer, subject to the approval of the Government.

5. If a District Board requires the services of an Assistant District Health Officer, it may employ him on a temporary basis for a period not exceeding five years:—

Provided that the Government may act at any time he withdraws if his services are required by the Government.

6. The scale of pay of Assistant District Health Officers shall be the same as that of Second-class Health Officers in the Madras Public Health Subordinate Service.

7. (1) If a Government servant is appointed as an Assistant District Health Officer, the District Board concerned shall pay to the Government such contributions as may be fixed by them, towards his pension and leave allowances.

(2) The travelling allowance of the Government servant for his journey in connection with his service, the appointment under a District Board and relating to appointment to the Government service after removal from his appointment under the District Board, shall be met from the funds of the District Board concerned. His travel pay shall also be met from the funds of the District Board.

8. No Government servant employed as Assistant District Health Officer under a District Board shall be removed from such employment without the consent of the Government.

9. Transfer of Assistant Health Officers from one District Board to another shall be governed by the Madras Local Authorities Public Health Subordinate Service Transfer Rules, 1935.

10. Any rule directed on vehicles (other than motor vehicles) and animals entering the Udupi Municipality for a period.

Service I.—Scholarship in higher standards of Elementary schools and in Secondary schools.

The number and description of these scholarships are indicated in the following statement.

Except in the case of Hindu and Mohammedan students, the age of an applicant for a scholarship should be the VI Standard or 11 years shall not have a record, on the 1st July 1940, 11 years and for a scholarship tenable from the IV Form, 17 years respectively.

available for transfer. Any scholarship awarded in the course of the period for which it is tenable may be awarded for the remaining period to an eligible applicant in the same year or to any of the children of the scholarship holder. No scholarship can be awarded to a student in the middle of a course.

6. Details of institutions may grow leave without distribution or loss of scholarship for a period not exceeding one month to students who are absent on account of serious sickness, but if the leave exceeds this period, no scholarship will be granted for the course period. The grant of such leave should be reported by the head of the institution to the Inspecting authority. Casual leave without distribution or loss of scholarship may be granted for good and sufficient reasons for a period not exceeding fifteen days in the year, provided such leave does not immediately precede or succeed granted holidays. If a scholarship-holder absent without good reason on the re-opening day after the vacation for the school the scholarship for the vacation is liable to be withheld under the orders of the inspecting authority.

7. No person receiving a scholarship under this notification shall be permitted to hold any other scholarship provided wholly or partly by Government subject to special sanction of the Director. Such sanction will be accorded only for very distinguished merit.

8. In cases where the number of merit cannot be ascertained, or where the number of eligible candidates is in excess of the number of scholarships available, it is open to the Inspectors to hold a competitive examination in one or more subjects with a view to select the most deserving candidates.

A third is the degree any grant, loan, or scholarship is made on the basis of academic achievement. The awarding of a personal scholarship according to merit is different from the awarding of a scholarship on the basis of academic achievement, but if the latter exceeds the former, the scholarship is to be considered for the former purpose. Certain loans are treated as gifts if the amount exceeds for a period an amount exceeding three times the cost of attendance for the year, provided such loans do not immediately provide for secured repayment. Under the above conditions, loans are scholarships if the amount exceeds the cost of attendance in a given year. The IRS will then report it to the Treasury Department Office concerned. If a scholarship-bearer shows himself without good reason on the preceding day after the vacation from the school, the scholarship for the vacation is likely to be withheld under the orders of the treasury.

5. No person receiving a scholarship under this ordinance shall be permitted to hold any other scholarship provided wholly or partly by Government without the special written approval of the Director. Such sanction will be extended only for very definite stated reasons.

7 In cases where the order of merit cannot be ascertained as where the number of eligible candidates is as great as the number of available vacancies, it is usual to have institutions to hold a competitive examination on one or more subjects with a view to select the most deserving candidate.

*3. All scholarships taxable under the above rules are liable to forfeiture for absence, misconduct, irregularity in attendance, or failure to make due progress.

§ 4. A scholarship held in any class shall run from the beginning of the month in which the holder joins the class and shall not continue to be drawn after he ceases to attend it. Scholarship amounts for the various months shall be drawn immediately after the first (annual or school) examination and delivered to the scholarship-holders.

12. The scholarships are payable monthly and to advance.

11 The advantage in secondary schools and colleges was made only for one month, i.e., from 1st July 1943 to 31st March 1944.

MADRAS UNIVERSITY STUDENTS' INFORMATION BULLETIN.

President: The Vice-Chancellor of the University of Madras (in office).

Vice-President: The Director of Public Instruction, Madras (in office).

Secretary: H. N. Srinivas, Esq., M.A. (Comm.), Professor, Pachayappa's College, Madras.

The main functions of the Bureau are—

(i) To furnish information and advice to Indian students going to Madras for any examination abroad for general and technological studies.

(ii) To endeavour to collect and stage educational institutions in India information as a helpful character collected by the Central Bureau in London concerning the educational, financial and social facilities obtaining in educational centres abroad.

(iii) To communicate with the Central Bureau on behalf of students before they start or on behalf of their parents after they are abroad.

(iv) To arrange prospective candidates for the Indian Civil Service and other competitive examinations held in India.

Students of the Madras Presidency—and of the Justice Estate whose colleges are situated in the Madras University—who contemplate going to England or other countries for further study, and students and friends at home who have already gone, are invited to correspond with the Secretary, Room No. 6, New University Buildings, Chennai, Madras, from whom all necessary information can be obtained.

As all possible applications from students sent direct to the Educational Officer in London or to Educational authorities in Great Britain are forwarded to the Secretary of the Madras University Students' Information Bureau for its scrutiny and recommendation, much correspondence and delay will be saved for students by their getting into touch with the Secretary at Madras.

The Bureau maintains a small library consisting of the prospectuses, syllabuses and catalogues of educational institutions and Universities in Great Britain, America and other countries, and students and other enquirers will be allowed the use of the library on all week days—excepting holidays—between 11 a.m. and 4 p.m.

Candidates seeking advice from the Secretary of the University Students' Information Bureau, may interview him by personal appointment between 4 and 5 p.m. on working days in the New University Buildings, Chennai, and at other times at the Pachayappa's College, Madras.

H. N. SRINIVAS,
Secretary.

| Act No. XI of 1940 | 21 |

The following Act received the assent of His Excellency the Governor on the 25th June 1940 and is hereby published for general information:—

ACT No. XI OF 1940.

An Act to provide for the better administration and governance of the Mattur township.

WHEREAS it is expedient to provide for the better administration and governance of the Mattur township;

AND WHEREAS the Governor of Madras has, by a Proclamation under section 93 of the Government of India Act, 1935, assumed to himself all powers vested by or under the said Act in the Provincial Legislature;

1935-1

[25]

Now, THEREFORE, in exercise of the powers so assumed to himself, the Governor is pleased to enact as follows:—

Short title.

1. This Act may be called the Mettur Township Act, 1940.

Constitution of a committee for administration of Mettur township.

2. (1) As soon as may be after the passing of this Act the Provincial Government shall, by notification in the *Fort St. George Gazette* and with effect from such date as may be specified therein, constitute a Committee, to be called the Mettur Township Committee (hereinafter referred to as the Township Committee), for the purpose of administering the municipal affairs of the Mettur township.

(2) The Township Committee shall be a body corporate, having perpetual succession and a common seal, and subject to any restrictions or qualifications imposed by or under this or any other enactment, shall be vested with the capacity of suing and being sued in its corporate name, of acquiring, holding and transferring property, movable or immovable, of entering into contracts, and of doing all things necessary, proper or expedient for the purposes for which it is constituted.

Composition of the Township Committee.

3. (1) The Township Committee shall consist of six members who shall be appointed by the Provincial Government or by an authority or officer empowered by them in this behalf. Of the six members, not less than two shall be non-officials of whom one shall be a representative of industrial interests in the township.

(2) The Provincial Government shall appoint one of the members of the Township Committee to be its Chairman and another person (whether a member of the Committee or not) to be its Executive Officer.

Application of the provisions of the Madras District Municipalities Act, 1920, and of any other enactment in force elsewhere in the Province of Madras but not in the township, shall apply to the township to such extent and subject to such modifications, additions and restrictions as may be specified in the notification.

4. (1) The Provincial Government may, by notification in the *Fort St. George Gazette*, direct that any of the provisions of the Madras District Municipalities Act, 1920, or of any other enactment for the time being in force elsewhere in the Province of Madras but not in the township, shall apply to the township to such extent and subject to such modifications, additions and restrictions as may be specified in the notification.

(2) In particular and without prejudice to the generality of the foregoing provision, such notification may authorize—

- (a) the Township Committee to levy all or any of the taxes and fees which may be levied by virtue of the provisions applied to the township under this section; and
- (b) the Executive Officer of the Township Committee to exercise and perform in regard to the township, the powers and duties assigned to the executive authority of a municipality under the provisions applied as aforesaid, subject to such restrictions, limitations and conditions and to such control, if any, as may be specified in the notification.

5. The Provincial Government may, by notification in the *Fort St. George Gazette*, define the boundaries of the Mettur township for the purposes of this Act, and may from time to time by a like notification, alter such boundaries.

Power to define and alter boundaries of Mettur township.

(By order of His Excellency the Governor)

P. APPU NAIR,
Secretary to Government, Legal Department.
